Last Week's Program

Suzy Cole, Executive Director of the Children's Advocacy Center (and wife of Derham Cole) presented our program last week on physical and sexual abuse of children. She shared statistics that show this is a growing problem in our community, as they have seen 16% more children this year over last year. They have implemented programs to be more proactive by educating adults and children about the issue.

FUN FACTS

Glen Boggs

I am an Architect and design Custom Houses and Residential Additions. I work out of our 200 year old house in Glenn Springs (I keep trying to get them to "correct the spelling) with my 4 legged assistant "Margie". My family has been in South Carolina since the late 1600's and in Spartanburg for 5 generations. I went to Evans Junior High, Spartanburg High, and Clemson for Architecture. My Grandfather was a member of this Club. My Father , Tommy Boggs, owned Christman and Parsons Construction Company and my Mother was an Artist.

Two fun Rotary facts are: Good friend and Rotarian Todd Stephens and I found out our Grandparents sat at the same table at the Lindbergh Dinner at Converse College in 1927; and Rotarian Kit Jennings and I, Angels that we were, got into a small fist fight in front of the entire congregation of Church of the Advent when we were I think 6. Grew up around the corner from Kit in Brentwood neighborhood.

I'm married to June Boggs, and I like Old Houses, Antiques, Sailing, Good Food, Good Wine, Grey Goose, and just about anything French.

THANKS to all our Rotary Readers!!!
