Aug. 4	District Governor	Terry Weaver

# FUN FACTS

#### Lyman Elliott Hamrick

- Family: I am husband of Katie J. Hamrick and father to Addilyn "Addi" Elizabeth Hamrick. Several other family members have been committed Rotary Members and continue presently attending. My Grandfather Wylie Hamrick was a very faithful Rotarian in Cherokee County and even had a perfect attendance record up until his death years ago. My father Lyman W. Hamrick and cousin Cameron Hamrick presently remain committed members in this chapter.
- <u>Background</u>: I was adopted out of the Asheville, NC area and was received into my home with my parents Lyman and Lee Hamrick in Gaffney, SC.

  My sister Sarah Hamrick Grice would join us several years later.
- <u>Hobbies</u>: As a child I grew up playing all kinds of sports, and continue to love to watch college football and basketball as an adult. Some other interests include: music, hunting, weight training, reading, working outside in my yard, etc. I hope to remain a student for the rest of my life and continue growing in my personal education to help better my attempts at personal career goals.
- <u>Education</u>: During my undergraduate years I studied Business
  Administration at Limestone College in Gaffney, SC, and I also
  presently attend Southern Baptist Theological Seminary where I am
  pursuing my Masters of Arts in Biblical Counseling.
- <u>Travel</u>: I have journeyed to Israel and Northern Africa on international Christian Missions Trips to share the gospel of Jesus Christ. I have also enjoyed attending a European study trip through Southern Baptist Theological Seminary where we spent time in England and Scotland. Most of our trip consisted of visiting Protestant Church History sites and major universities such as Cambridge University and The University of Edinburgh.
- <u>Interesting Fact</u>: I was inducted into The Rotary of Spartanburg on St. Patrick's Day this year.
- Employment: I am presently a Counselor at Miracle Hill Ministries Rescue Mission, and I also pastor Green Street Baptist Church, here in Spartanburg, SC. I hope to soon minister alongside the Northside Initiative in the Community Transformation Project as well.
