

# Welcome To Rotary

Tuesday  
November 29, 2016

## Today's Program

**Today's Song:** God Bless America - Dave Zabriskie

**Today's Invocation:** Paul Petersen

**Health & Happiness:** Hank Steinberg

**Today's Program:** Behavioral Health Task Force  
Mental Health Issues in our Community - Tom Barnet

## Last Week's Program

Kirk Neely gave an inspirational program last week for Thanksgiving, reviewing the history of the holiday and the importance of giving thanks for good physical and mental health. Martha Chapman also gave a presentation on our Youth Exchange student, Molly Mahon.

| Dec. 27 | NO MEETING - Piedmont Club Closed                  |               |

## SALVATION ARMY BELL RINGING SATURDAY DECEMBER 10 & 17 EAST SIDE WAL-MART

Jimmie Dunbar announced that he will use the same schedule as last year for this year's bell ringing. If you did not help with the bell ringing last year, or need to change your scheduled time, **call Alicia at 864-587-7777**. We need four folks per hour to cover BOTH Walmart entrances! Thanks so much - we need ya!

## ROTARY SOCIAL NEXT WEEK, DECEMBER 6TH

Please remember that we will have a Rotary Social next week and will not have a lunch meeting. The social will be held at The Piedmont Club from 5:30pm until 7:30pm.

## SCIENCE FAIR

Mary Mathes is looking for help with solicitations for donations for sponsorships for Science Fair:

President John will be sending letters asking for Science Fair sponsorships on December 1. He is hoping the Rotary club members can help by adding more names and addresses to the list that will be available on Google docs. This list has grown over the past three years, and we want to keep adding new donors each year.

It is important to include all of the donor information that is listed with current donors. Our goal each year is to raise money to cover all Science Fair expenses. We reached that goal in 2015 but did not in 2016. We need help to ensure we cover all expenses for the 2017 Science Fair.
