## Last Week's Program

County Councilman David Britt was our guest speaker last week, giving an overview of the successful economic development initiatives in Spartanburg County. Perhaps the biggest impact has been the BMW plant, with more than \$8 billion invested and over 38,000 employees hired since the plant opened. He recognized the Chamber of Commerce, the Economic Futures Group and Spartanburg Community College for their roles in attracting new companies to locate in our county.

The mission of the Rotary Foundation is to enable Rotary members to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. **Annual Fund SHARE** is the primary source of funding for a broad range of local and international Rotary Foundation activities. **Every Rotary Every Year** (EREY) is the fundraising initiative to encourage support for the Foundation's Annual Fund. EREY aims to engage every Rotarian by encouraging them to contribute to the Annual Fund every year. There is a regular \$25 charge on your Spartanburg Rotary Club quarterly invoice. By making this donation to the Rotary Foundation each quarter you become a **Rotary Foundation Sustaining Member** while supporting the work of Rotary around the world.
