

# Welcome To Rotary

**Tuesday  
May 24, 2016**

## Today's Program

**Today's Song:** This is My Country - Yossi Liebowitz

**Today's Invocation:** Gaines Mason

**Health & Happiness:** Josh Lonon

**Today's Program:** District 7's Musical - All Shook Up!

## Last Week's Program

Our program last week was "The New Normal - To and Through College Graduation" based on the Legacy Charter School in Greenville, presented by businessman and Chairman William Brown. Now in its seventh year of operation, The mission of Legacy Charter School is to offer a quality, rigorous, and relevant educational program leading to college graduation and empowering underserved urban students to become productive, fit, principled citizens in a changing society.

| June 14 | Market Street Report - Spartanburg Chamber            | - Allen Smith and Todd Horne |

## **This is My Country!**

This is my country! Land of my birth!  
This is my country! Grandest on earth!  
I pledge thee my allegiance, America, the bold,  
For this is my country to have and to hold.

This is my country! Land of my choice!  
This is my country! Hear my proud voice!  
I pledge thee my allegiance, America, the bold,  
For this is my country! To have and to hold.

## **YOUTH AT RISK PROGRAMS**

**Boys and Girls Clubs of the Upstate: To inspire and enable all young people, especially those that need us most, to realize their full potential as productive, responsible, and caring adults.**

Funds for a career development project called Great Futures Start Here. The program introduces Boys & Girls Club members to professionals/Rotarians in our community and connects professionals directly to Boys & Girls Club members. Funds will be used to purchase billboards featuring a Rotarian and a member of the Boys & Girls Clubs.

**Healthy Smiles of Spartanburg: To promote the overall health of Spartanburg County children through enhanced oral health services, community education, and advocacy.**

Funds to purchase a Cavitron and prophylaxis jet machine. The Cavitron and prophylaxis jet machine will cut the deep cleaning of a child's teeth by 50%. The addition of this equipment will improve clinic efficiency, and will help reduce a child's anxiety associated with deep cleaning.
